## Landscaper Agreement to Join Quiet Princeton's Recommended List of Landscapers

As a **Quiet Landscaper**, you can agree to offer a lawn-care option which eliminates the use of leaf blowers on the homeowner's property. This plan provides an extra option for the landscaper and the homeowner. It is completely voluntary.

**Benefits to landscapers who participate are that they will be recommended and advertised to Princeton homeowners by Quiet Princeton.**

**INSTRUCTIONS to landscaper.** Please **sign at the bottom** to confirm your agreement to participate, and mail one copy of the form back to Quiet Princeton at the address at the top.
